COUNTY OFFICIAL PAPER.

Saturday, October 13, 1906.

D. E. O'KEEFE, EDITOR AND PROPRIETOR

Gillett is a winner.

Hayes for congress is heard on all sides.

Jim Hannon will get the largest vote of any candidate on any ticket.

We congratulate the county on its choice for sheriff—Bob Chatham.

It is not a matter of Bullock's election but how much his majority will be.

A vote for Roy W. Cloud is a vote to place a deserving young man in office. Vote for him.

A vote for P. P. Chamberlain means a vote for an honest, tried and trusted man to care for the county purse.

A splendid official like Johnnie Johnston ought to be retained in office. Experience gained by faithful service benefits the county.

Johnnie Coleman will receive a large vote in the Second township. He ought to be for he has made an excellent supervisor. The roads in his district were never better.

H. G. Plymire has made a good health officer and he will make an excellent corner and public administrator. He will receive a large vote.

Joe H. Nash is a sterling young man and is making a whirl wind campaign that is sure to land him a winner. He has no equal as a vote getter.

C. L. McCracken has made one of the best tax collector's the county has ever had. He should be kept in office. He is the people's choice.

R. H. Jury is a winner for assemblyman. He gave a good account of himself at Sacramento two years ago and the people are going to return him with a large majority.

Edgar A. Shaw is making a splendid canvass for supervisor of the Fifth township. He is a young man of sterling worth and if elected will make a supervisor that the voters of that township will feel proud of.

Jim Cronk has the lead for constable of the Third township and will keep it until Nov. 6th when he will pass under the wire a winner.

Assessor C. D. Hayard's record in office will be sufficient to guarantee his election. His majority will be pronounced.

W. H. Underhill is making a determined fight for auditor. He has proven himself to be a splendid campaigner and is making the contest of his life. His friends predict his election by a large plurality.

Dates Set For Meetings

The Republican County Committee met in San Mateo last Saturday and arranged for campaign meetings throughout the county as follows:

Colma, Oct. 16; South San Francisco, Oct. 18; San Mateo, Oct. 20; Redwood City, Oct. 22; Menlo Park, Oct. 24; Woodside, Oct. 29; Pescadero, Oct. 26; Halfmoon Bay, Oct. 27; Belmont, Oct. 31.

There will be music and bonfires at each meeting, and in addition to all the county candidates, it is expected to have eloquent speakers of state renown to expound the principles of Republicanism.

At intervals yet to be announced, the Republican State Central Committee will provide speakers who will stump the county in the interest of the state candidates.

Vote For Coleman

As supervisor of the Second township John H. Coleman has done more for the people than any one man who now seeks office. He has had the opportunity to do good and he has made the most of it. He has given his district good roads, good bridges and good government. No detail has been too small for his personal attention; no undertaking too large for his individual supervision; no measure for the welfare of the people too trivial to receive his support. That's after eight years continuous work and that's the reason he is going to be elected by a big plurality.

Otto Zenner died in this city last week. His death was caused by inflammation of the liver. For some time he conducted the boot black stand in the Germania hall building. His body was sent to relatives in Placerville for burial.

The will of Philip Blanchard was admitted to probate Thursday and the widow appointed executrix without bonds. The property consists of two houses at Redwood City and ten acres of land near the Los Lomitas school.

Mrs. A. Hansen, her daughter Laura and Mrs. Brown and Mrs. W. H. Hansen have gone to Los Angeles. Mrs. Brown will remain all winter and Miss Hansen for two months. The remainder of the party will return next week in Mr. Hansen's automobile.

He goes south this evening with the machine.

Mrs. Adeline Hurl, daughter of Mr. and Mrs. John Heaney of this city died at the home of her parents last Sunday after a lingering illness.

Mrs. Hurl was born and raised in this city. About a year ago she married James Hurl and went with him to reside in San Francisco. She was an estimable young woman beloved by all who knew her.

The regular services will be held in the Congregational church tomorrow morning and evening, the evening service which will commence at 7:30 will be attended by the Odd Fellows and the Rebekahs in a body.

Music in both services will be a special feature. Mr. O. M. Carrington of San Francisco has taken charge of the music and a choir of fifteen voices is the result.

Town Trustee Chas. Luscher and a party of friends narrowly missed being held up at Mountain View Sunday night. They were returning from San Jose in Mr. Luscher's machine, when they were halted by two men in the road, who threw dust in the faces of the party and called upon them to stop. The machine passed a few yards, and when it was stopped Mr. Luscher and two of his companions started back, but the would-be highwaymen took to their heels and ran. The auto party pursued the but owing to the darkness had to give up the chase.

WOODSIDE CHIPS.

The families of C. K. McIntosh and A. Comte have gone to the city for the winter. C. F. A. Talbot has gone to New York.

Greensburg school has closed for two weeks during which time the teachers will attend the institute.

The fire which has been raging on the mountains for the last week has at last been gotten under control. A good rain now is all that is needed to put it out of commission.

The dance tomorrow evening will no doubt draw a large crowd. Good music and a fine supper will be the special attractions.

Miss Helen Hansen is home for a week's vacation from her school at Bellevue.

Miss Hilda Dalve is spending a few days with friends and relatives in the metropolis.

Wm. J. McNulty, one of the oldest pioneers of this locality passed away at his home here last Saturday at the ripe old age of 74 years.

Mr. McNulty was a native of Pennsylvania and came to this county in the '30s and always resided here. He took a prominent part in public affairs and was known for his honesty and uprightness of character. He leaves a wife and son to mourn him.

He was a kind friend and a devoted husband and father and a good neighbor. The family have the deepest sympathy of the community in their sad bereavement.

VOTERS ATTENTION

Owing to the fact that this is the busiest time of the year in the Tax collector's office and feeling that the duties connected with that office can not be neglected even during a political campaign, I take this opportunity of informing the voters that he time at my disposal may not permit me to meet them all personally.

I shall, however, do my utmost to present my claims in person and will not be prevented by my official duties.

Although the tax rate of 1905 was the highest in the history of the county, I point with some little pride to the fact that for 1905 we had the smallest proportionate delinquent tax list San Mateo county has ever had.

If a record such as this be appreciated by the tax-payers and voters, I have no hesitation in asking your endorsement at the polls on November 6th.

Respectfully yours,

C. L. MCCRACKEN.

SUPERVISORS IN SESSION

Official Business Transacted by the Supervisors at Its Last Meeting.

The board of supervisors held an adjourned session Monday. All members were present.

H. Bramstedt, superintendent of the San Mateo Water company made application to the board to be allowed to change the feed pipes from its present location on the old Crystal Springs road which is private property to the present county road.

The distance to be changed is about three hundred yards in length and on motion of Eikerkotter seconded by Debenedetti the petition was granted, a bond of \$50 being exacted for the proper repair of the road after the change has been made.

On motion of Eikerkotter seconded by MacBain, R. A. Brown was granted a license to peddle meat at San Bruno Park.

The following protest was read from H. D. Gill objecting to filing a map of the Knowles tract, near Colma. Same was ordered filed:

The Board of Supervisors of the County of San Mateo, Redwood City, Cal. Gentlemen:

On the 16th inst. we sent to your clerk a formal protest against the reception and endorsement or approval by your body of any map of any subdivision of the Knowles tract, so called, it having come to our knowledge that some of the directors and officers of the Ocean View Land and Improvement Co., which owns the property, had entered into a contract with C. M. Wooster for the subdivision by the latter of the tract into suburban lots and the sale of them on the installment plan.

We understand that our protest was received and placed on file, and will be read in open session of your board tomorrow. We desire to supplement that protest by notifying you, as we now do, that since then we have commenced an action in the Superior Court here against the company, its officers, Wooster and his agents, to restrain the enforcement of any such contract, which we claim is illegal and fraudulent as against us, and to enjoin the presentation to your board of any such map, and to prevent the endorsement or allowance of same by your honorable body.

That action is pending in department 1 of our Superior Court. Notice has also been given to all intended purchasers, we having recorded a notice of the pendency of the action. We contend that the company has made no such contract, and that Wooster is without authority to subdivide the tract and that the board therefore has no power to approve or endorse any map that may have been made or may be proposed by any person acting either for the company or for Wooster. The rights of intending purchasers, we submit, should be of paramount importance to your board, and you should not approve or endorse or permit the filing of any map until after this litigation shall have been finally determined; otherwise, the purchasers, people of small means who are contemplating the buying of a lot on the installment plan, will be unprotected and may be compelled to resort to court for the return of their money, etc. We ask also that, if any offer to file a map be made, or any request be preferred for its approval or endorsement, we be given an opportunity to be heard.

Yours respectfully,

H. D. GILL, stockholder and director, Ocean View L. & I. Co.

HARRIET G. GILL, stockholder and director, O. V. L. & I. Co.

Dated Sept. 30, 1905.

A petition was granted to change the name of Clark & Henery to Clark & Henery Construction company in a contract for bridge work at Millbrae.

On motion of Eikerkotter seconded by MacBain a map of the re-subdivision of Union Park, Colma, owned by Mr. Sears was accepted and the customary resolution adopted dedicating the streets delineated thereon to public use.

On motion of Debenedetti seconded by Coburn a map of the Second subdivision of Arleta Park, Halfmoon Bay was accepted and the usual resolution dedicating the streets to public use was adopted.

The attention of the members of the board was called by John MacBain to the destruction wrought by fire on the coast side of the mountains. District Attorney Bullock was consulted regarding the authority of the board to take part in the fighting of the flames and protection of the inhabitants and on his advice that it was their duty to take action, Supervisor Coburn made a motion which was seconded by Supervisor Debenedetti, to have Mr. MacBain procure men and proceed to the district in danger to fight the fire and use his best endeavors for the protection of the inhabitants, their homes and other property.

The Governor's Election Proclamation was read and ordered published.
